Government Inquiry into Mental Health and Addiction

The Panel

Prof Ron Paterson
Chair

Dean Rangihuna

Dr Barbara Disley

Dr Jemaima Tiatia-Seath

Sir Mason Durie

Josiah Tualamali'i

Wide Scope

Promotion of mental health and wellbeing, prevention of mental health challenges, early intervention and improved responses to mental health and addiction challenges – looking at broad societal causes, across multiple sectors and the community

Purpose

Identify unmet needs related to mental health and addiction, and develop recommendations for a cohesive mental health and addiction framework for Aotearoa New Zealand

Approach

Open and inclusive
engagement

Building on existing
knowledge and work

Focus on solutions

Values

- Aroha
- Whanaungatanga
- Kotahitanga
- Whakamana
- Mahitahi
- Tūmanako pai

Korowai – a cloak of
care over the Inquiry

The Inquiry wants to hear about:

- What's working well
- What's not working well
- What could be done better
- What sort of society is best for mental health
- Anything else you want to tell us

Submissions – deadline 5 June 2018
