

TRANSFORMING

Complex Clinical Moments

With internationally acclaimed suicidologist **Shawn Shea, MD**

Internationally acclaimed author and innovator in clinical interviewing, Dr Shawn Shea returns to New Zealand and Australia in October in 2019. This latest workshop series will provide front-line clinicians with practical, specific interviewing techniques and state-of-the-art skills necessary to tackle some of the most complex of clinical challenges.

This one-day workshop consists of 3 enlightening segments:

1. The Innovative Use of Object Relations: Gateway to Understanding the People Beneath the Personality Diagnoses
2. The Inner World of the Pain Beneath the Diagnosis: Interviewing Techniques for Uncovering Anxiety Disorders
3. The Elusive World of Psychosis: How to Help Clients Share Their Pain, Hallucinations, Delusions, and Thoughts of Harm to Self or Others

Shawn Shea, MD is an internationally acclaimed innovator in the fields of clinical interviewing, suicide assessment, and enhancing the therapeutic alliance having given over 850 presentations worldwide. He has been an invited presenter at the American Association of Suicidology for 21 years, and was the recipient of an Outstanding Course Award from the American Psychiatric Association. His book, *The Practical Art of Suicide Assessment*, being viewed as one of the classic texts in the field of suicidology. His most recent book, *Psychiatric Interviewing: The Art of Understanding, 3rd Edition* was selected by the British Medical Association as the 2017 Book of the Year in Psychiatry.
